The Aramaic Teachings of Jesus

(Matthew 5, 6, and 7)

Dr. Errico begins this fascinating new look at Jesus' teachings in Matthew 5, 6 and 7, by examining what happened in Galilee after the last prophet, Malachi, and the appearance of Jesus. What was the prophetic situation like in Galilee when Jesus appeared?

This class takes an in-depth exploration of Jesus' teachings based on his Jewish faith and Aramaic language and terminology. Dr. Errico presents a whole new approach by reading and translating directly from the Aramaic texts.

He not only takes a deeper look at what is normally called The Beatitudes, as well as Jesus' other teachings, but how through their implementation, they work both in our bodies and in us psychologically.

Our Powerful Human Dynamics (Five Sunday Talks by Dr. Errico)

In August through December 2015, Dr. Errico gave five Sunday talks that all had the unifying message of *Our Powerful Human Dynamics*. In each of these talks he expounds on a different aspect of this theme, all of which are uplifting and which dignify the human experience. The individual titles of these talks are listed below followed by a biblical quote (Errico translation unless otherwise noted) from each message.

1. **Shifting Your Energy** (Romans 8:28 – “For we know that those who love God, in everything He helps them for good.”)
2. **The Super-NATURAL You** (Psalms 139:14 – “I will praise thee because I am awesomely and wondrously made. Marvelous are Thy works and my soul exceedingly knows it.”)
3. **Our Authentic Identity** (Genesis 1:26 – “Let us make humanity our image, after our resemblance”)
4. **The Body, Healing & Faith** (Hebrews 11:1 – “Faith is the assurance of things expected, as it was the assurance of things now in existence and the revelation of things not seen.”)
5. **You Are the Sacred Temple** (1 Corinthians 6:19 – “Or do you not know that your body is the temple of the Holy Spirit that dwells with you . . .?” - Lamsa translation) ***Note: At the end of this talk there are pictures shown on the DVD.

Three new DVDs/CDs from recent Sunday talks

1. **THE POWER OF PROSPERITY** — This service begins with a special surprise: Two girls, 4 and 6 years old, begin the service by saying the Lord’s Prayer in Aramaic (nearly as good as Dr. Errico!) Dr. Errico then begins this talk with his translation from Aramaic of the affirmation in the 23rd Psalm: “The Lord shepherds me and I lack nothing at all,” which doesn’t just refer to money but to everything in our lives. He also explains the Aramaic meaning of the word “prosperity.”
2. **RE-IMAGING YOUR LIFE** — The imagination is one of the most important powers that we human beings possess. It is a gift from God—that is, life itself. Without our imaginations, we would be live in a world of emptiness and darkness, and there would be no God, Holy Scripture, spiritual understanding, and various ways of expressing love and healing.
3. **THE SECRET PLACE OF THE MOST HIGH** (Psalm 91) — The psalmist opens his song with: “He that dwelleth in the secret place of the Most High shall abide under the shadow of the Almighty.” In Aramaic, the phrase “secret place” has a special meaning. It is a place that God has bestowed upon humanity, but we must become awakened to this special place.

NEW CDS BY DR. ERRICO

The Story of Cain and Abel

Dr. Errico re-translates every verse in the story of Cain and Abel directly from the ancient Aramaic text. This new translation, combined with his knowledge of the Aramaic language and ancient Near Eastern biblical customs and culture, provides a fresh and illuminating look at this epic tale. In the process, Dr. Errico answers many questions, such as:

- Why did God reject Cain’s offering?
- Did God favor Abel over his brother Cain?
- Did Cain intend to kill Abel when he attacked him?

Sodom and Gomorrah

A fresh new perspective on one of the most misunderstood and misinterpreted stories of the Bible. Contrary to how it is commonly believed, this is not an episode about homosexuality. Dr. Errico takes us into the ancient world of the Near East and retells the narrative from the Aramaic language and dream/vision interpretation. In portraying the Near Eastern biblical customs and manners, he also clarifies what the writer is attempting to teach and provides answers to many of the questions often asked regarding the true message of Sodom and Gomorrah.

The Binding of Isaac

This story, commonly called “The Sacrifice of Isaac,” is traditionally known as “The Binding of Isaac.” In this class, Dr. Errico addresses the many questions raised by this ancient tale, such as:

- Did God really command that Abraham sacrifice Isaac?
- Why was Abraham willing to sacrifice his beloved son?
- Where was Sarah when this took place?
- Why did Isaac not protest when he was bound?

HUMAN SUFFERING: Job's Response - God's Answer

In this three part seminar, Dr. Errico looks into the experiences of Job – his torment, his bitterness toward life and God, and his startling recovery from loss and tragedies. He also probes the ancient belief systems that were held at that time by both Job and his friends/accusers.

Dr. Errico breaks this seminar into three sections:

- (1) Introduction (Prologue) — The Gathering
- (2) The dialog of beliefs (including Job's friends, his response, and God's answer)
- (3) Conclusion (Epilogue)

In addition, Dr. Errico addresses the basic lesson that Job learned as well as the question that has been asked throughout the ages: Why do good people suffer?

THE MYSTERY OF GOD

WHAT IS GOD? Love, peace, joy, omniscient, omni-present—these are just some of the words people use to try to define God. Though these all may be qualities attributed to God, they do not describe the indescribable.

In this five part seminar, Dr. Errico begins this exploration into The Mystery of God with the statement that God is ineffable, but extremely efficacious. Ineffable is defined as “too great or extreme to be expressed or described in words.” With that as the starting point, Dr. Errico takes an in-depth look at this profound subject, addressing many questions, including: Where does God originate?

THE ORIGIN OF EVIL (Single CD)

Dr. Errico discusses the origin of ideas about demons and devils. “Demon” was a Greek term, used interchangeably with “devil,” and its original meaning in Greek was “spirit.” He also covers the subject of “hell.” The ancient biblical world has no such concept, but Christianity mixed up the term “Hades” with the ancient underworld, which was seen as the abode of spirits. Dr. Errico reminds us that everything in the Bible is grounded in Near Eastern imagery.

THE INEFFABLE YOU: Consciousness, Science and the Bible

This unique 2-hour seminar provides a fresh and challenging perspective on the Mystery of God and Humanity. Materialistic science explains the world and human beings as nothing more than material particles that exist outside consciousness. This approach explains that matter—that is, the brain—creates consciousness. But there are also those scientists who explain that consciousness, which is ineffable, is what gives rise to the world and humans.

With his comprehensive knowledge of the Aramaic Semitic language, Dr. Errico explores the biblical creation narrative as a map or script that reveals to us the inner workings of Mind or Consciousness. He suggests that our problem with understanding the depth of meaning in Scripture is our English word “GOD.” Nonetheless, the more we can apprehend the nature and meaning of what we call God, the more we can understand ourselves.

Dr. Errico presents a simple yet thought provoking session on what is ineffable in us that the ancient inspired biblical priest understood when he wrote: *“Then God said: Let us make humankind in our image as our resemblance! And they will rule over the fish of the sea, and over the flying creatures of the sky, and over the animals and over all the wild land beasts and over the reptiles that creep on the earth! So God created humankind in his image, in the image of God he created it, male and female he created them.”*

THE MYSTERIES OF CREATION & SCIENCE

In this special five class series on *“The Mysteries of Creation and Science,”* Dr. Errico takes us on a profound journey into the Creation story, delving into many intriguing ideas:

- The problem of free will
- The connection of “Word” and “Light”
- Before light was the spoken word.
- All creation is meaningful as a representation of the creative acts of Elohim.

Dr. Errico also addresses such questions as:

- Who wrote the first creation story? • How did we get our Bible?
- Why are we here? • Why is there a universe?

CONSCIOUSNESS: Gods, Goddesses, the Bible & You

by Dr. Rocco A. Errico (5 CD Album / Single DVD)

There is no distance, space, or time between the ancient and our modern world. Consciousness does not know space or time, but we know because we are subjective expressions of consciousness. Mesopotamian and Ugaritic cuneiform epics of gods, goddesses, and biblical stories are maps and scripts that reveal to us the inner workings of the spiritual mind.

Dr. Errico, with his comprehensive knowledge of the Aramaic Semitic language and customs, explores these fascinating subjects, uncovering the meanings of the common motifs of the ancient Near East. In this special class series held in Atlanta, Georgia, he unlocks and opens the following topics: **Genesis (the first chapter), the Mysterious Origin of God and Monotheism, the Tree of Life, Cherubim, the Goddess-Serpent**, and many other mythic symbols. Where did these ideas originate and what relevance do they have for us in our modern world? Join Dr. Errico as he delves into these topics in these insightful and illuminating sessions.

In the DVD recording of the class that Dr. Errico presented in Seal Beach, California on March 24, 2018, he presents a condensed version of what he covered in depth in the CD album from the Atlanta Class.

METAPHYSICS & MYSTICISM IN THE GOSPEL OF JOHN (Part 1)

presented by Dr. Rocco A. Errico

A deeper and fascinating understanding of the fourth gospel of the New Testament. Based on the ancient Aramaic language, Dr. Errico takes the major principal words in the very first eighteen verses of John’s writings—“word,” “at the beginning,” “God”, “only begotten,” “life,” and “light”— revealing their Semitic mystical and metaphysical meaning. The usual English translation of John 1:1-18 does not fully capture the depth and power of these verses. When translating from one language into another it is difficult to fully perceive what it means in the original language.

In this online seminar, Dr. Errico presented a new translation of these eighteen verses, not imposing a metaphysical interpretation of his own on the text, but denoting what the language itself reveals. It is a very spiritual and practical approach and what it means for us. John takes us into the consciousness of Jesus of Nazareth. The gospels of Matthew, Mark, and Luke present the ministry of Jesus, his healing and teaching, but John gives us insight into the very heart and soul that guided Jesus in his life and ministry.

The Mystical & Metaphysical Gospel of John (Part 2)

John was a mystic and understood his Master-Teacher, Rabbi Jesus, from a spiritual and metaphysical perspective. The entire gospel reveals the inner consciousness that Jesus possessed. Once one learns what John's goal was in his gospel, then a new vista of understanding opens for the adventurer into his writings.

The goal and purpose of this seminar is to comprehend John's mystical and metaphysical outlook on the inner meaning of Jesus' teaching and person. He answers many questions that people still ask today, such as:

1. If Jesus of Nazareth was truly the promised Messiah/Christ, why is there no peace on earth?
2. Jesus' preached the arriving Kingdom of God. Where is it?
3. Was his teaching just a preparation for an afterlife, or are we missing something?
4. Did Jesus truly provide a practical way to live this life?

These are just a few of the questions that Dr. Errico discusses and answers in this seminar. He presents a new and inspiring translation of the third chapter of the Gospel of John from the Aramaic language. He also explains Jesus' meaning of rebirth and the misunderstood famous verse of John 3:16, which is not what is mostly heard and taught.

**NOTE: There were problems with the video of this seminar, so it is only available as a 2-CD Album
